

Statement of Support for Mitchell Bray

Mitch is a talented athlete, a hard worker and high achiever who is reliable, respectful and considerate of others.

Academically, Mitch demonstrates critical thinking skills and he is adept at transferring skills and understanding to other contexts. His approach to learning is comprehensive and he has achieved academic recognition through our awards programs on a regular basis. Mitch has high expectations of his learning and he is able to use his intrinsic motivation for success in each of his subjects. Mitch has a natural curiosity and views achievement not as an end point but the start point for the next phase of learning.

His commitment to our sports program through athletics and basketball aligns with his impeccable standards about how to maximise his personal growth.

Mitch has been an outstanding Athletics Captain for two seasons and leads by example in this position. His conduct on and off the track is impeccable. He demonstrates good sportsmanship at all times in competitions be they at school, regional, state or national levels. He is also involved in club athletics and club basketball on the weekend. On the basketball court Mitch is a natural leader and key play maker. His contribution to teamwork has been recognised through awards and he enjoys the support of other players. A keen cross-country runner Mitch has been our school champion for several years at his age group level. He is a tenacious competitor on the course fearing no obstacle to attain his personal best.

As a person of integrity Mitch always demonstrates respect, honesty and humbleness. He is an ambitious person and he works towards success on a daily basis. We are proud of him as a student and I commend him to you as I know his future will be a bright one.
